Really Important Guidelines Survey

CTCA wants to know what you think about TB GUIDELINES. Please fill out the brief survey below and fax to (510) 849-5297 by December 22<sup>nd</sup>.

The results of this survey will be used to help decide which guidelines are developed in the future, which guidelines are revised, and how that information is presented to YOU to make it more accessible.

Please feel free to distribute this survey out to staff or others for input.
